- **Simon Says** – Just like regular Simon Says, but virtual!
- **Show & Tell** - Just like regular Show & Tell, but virtual!
- **Sing-a-Long** - Just like regular Sing-a-Long, but virtual!
- **Bedroom Tour** – Each girl (who wants to) gives a tour of their bedroom
- **Charades** - Pick a theme (Animals, Sports). Private chat the words to the actor.
- **Wink Assassin** - The players must convince all the others that they are NOT the assassin in the group. One student is the assassin and must finish off as many students as they can, before getting caught. The assassin private messages the victim 'wink'. When a user gets this message, they must tragically play-act die, and turn off their video feed. The remaining players then vote on who they believe the assassin to be. The player with the most votes gets kicked out. The game continues until the assassin is caught.
- **Two Truths , One False** - Ask each player to think of three statements about themselves. Two must be true and one must be false. Players take turns telling two truths and one false, in any order, to the group. The group votes on which of the 3 statements they think is a false, and at the end of each round, the person reveals which one was false.
- **Freeze Dance** – An adult should use their phone or computer to play music. Everyone on the video call must keep dancing as long as the music is playing. As soon as the music stops, everyone must freeze. The leader must try and catch anyone moving even the slightest. Those “caught” should take a seat. Once the music resumes, the dancing resumes too!
- **Lip Reading** – Girls take turns mouthing words (without sound) and the other girls guess the word.

# NO SUPPLIES REQUIRED

- **I Spy** - Use Gallery View on Zoom so you can see everyone's video window at once. Girls take turns being the spy and the guessers. The first player says “I spy with my little eye something [adjective]” and the other girls take turns guessing what it is.
- **Where Am I? Zoom Background Guessing Game** – Using the Zoom virtual backgrounds, players upload pictures of locations (local, national, global) and other players take turns guessing their location.
- **I’m Going on a Girl Scout Camping Trip and I’m Bringing a \_\_\_\_\_**  
<https://www.tripsavvy.com/im-going-on-a-picnic-game-3267652>
- **Show & Go Get It** – the first player chooses an item from their room and shows it to the group. All of the other players must go and get an item that starts with the last letter of the first object. Example: if the first player shows a doll, the other players must find an object that starts with the letter “L”. Choose the person to go next.
- **20 Questions** - One player chooses an item (either a real item that they hide or one that is written on a piece of paper). Other players get up to 20 questions to figure out the secret item.
